Subject: Agenda for CFAC January Technical Meeting
Attachments: Jan 2018 Technical Meeting Agenda Revised.docx

Good morning Mike,

Gunnar and I put our heads together and prepared the attached agenda for the January technical meeting to be held at the CFAC Site on Tuesday Jan 16th and Wednesday Jan 17th.

There are a lot of topics to cover on the agenda. We view this as a critical meeting to making sure we are all on the same page regarding the project path forward, 2018 scope of work, and schedule.

I will also update the calendar invitation with the agenda.

Have a nice holiday if I don't speak to you before then.
